**House Bill No. 2086\***

by deleting in its entirety the text of the bill, as amended, following the enacting clause and substituting the following:

SECTION 1. Tennessee Code Annotated, Title 49, Chapter 6, Part 12, is amended by adding a new section as follows:

Section 49-6-1208.

(a) The state board of education may provide for a program of instruction on cardio-pulmonary resuscitation techniques commiserate with the learning expectations within the lifetime wellness curriculum for public junior or senior high schools. All students should participate in this introduction at least once during their attendance in junior or senior high school.

(b) It is not the intention of this legislation to require full certification in CPR. It is the intention of the legislation to authorize instruction in the techniques and skills associated with performing CPR.

(c) The board is requested to implement a program no later than the 2004 – 2005 school year. Earlier implementation of the program is encouraged and the establishment of such program by the state board of education may be designated in such a way to permit such earlier implementation.

SECTION 2. This act shall take effect July 1, 2002, the public welfare requiring it.
